AI USAGE DISCLOSURE – QUANTUM ORACLE FORENSICS

This solution was created with assistance from AI tools. The content has been reviewed and edited by a human.

The AI assistant used was Claude (Anthropic).

AI assistant was used for :

* Getting a good understanding of the research papers and textbooks, so the methodologies proposed can be efficiently utilized in our solution.

* Generating script for solver.py by the provided logic

* Creating its own tester, so our solver.py can be tested for its accuracy

* For generating circuit diagrams

* For refining the report, which was primarily made by a human.
